### MINDFULNESS FOR TWO

An Acceptance & Commitment Therapy Approach to Mindfulness in Psychotherapy

KELLY G. WILSON, PH.D., WITH TROY DUFRENE

In this book, author Kelly Wilson carefully defines mindfulness from an ACT perspective and explores its relationship to the six ACT processes and to the therapeutic relationship itself. The DVD packaged with this book features exclusive footage of Wilson demonstrating these techniques in therapy sessions.

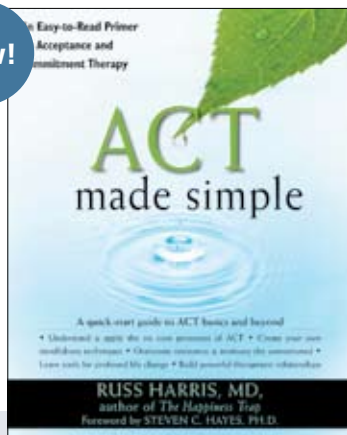

US \$59.95 / hardcover + DVD / ISBN: 978-1572246317

“Kelly Wilson does a masterful job...a seminal contribution to the growing literature on ACT and its interface with mindfulness theory and practice.”

—JON KABAT-ZINN, author of *Full Catastrophe Living* and *Letting Everything Become Your Teacher* and coauthor of *The Mindful Way Through Depression*

New!

### ACT MADE SIMPLE

An Easy-To-Read Primer on Acceptance & Commitment Therapy

RUSS HARRIS, MD • FOREWORD BY STEVEN C. HAYES, PH.D.

Internationally-known ACT trainer Russ Harris presents a complete, accessible guide for anyone interested in understanding the ACT model and teaching core ACT principles to their clients. The book includes conversational responses and questions, but also encourages students to innovate simple mindfulness exercises and create their own defusion techniques.

Also available as an eBook at [newharbinger.com](http://newharbinger.com)

US \$39.95 / ISBN: 978-1572247055

“ACT Made Simple is simply the most accessible book written to date for therapists interested in learning acceptance and commitment therapy.”

—JASON B. LUOMA, PH.D., psychologist at Portland Psychotherapy Clinic, Research, and Training Center

“Our commitment to authoritative and complete treatments of key mental health issues has earned our books a lasting place in classrooms.”

—MATTHEW MCKAY, PH.D., publisher

## ANNOUNCING OUR ACQUISITION OF CONTEXT PRESS

Dear educators,

We are proud to announce that Context Press is now an imprint of New Harbinger Publications, Inc. Context Press was established by Steven C. Hayes, Ph.D., in 1990 to disseminate progressive ideas in behavior therapy, cognitive therapy, behavior analysis, and empirical clinical psychology. As part of New Harbinger, Context will retain the focus of a small press and benefit from New Harbinger's 36 years of publishing expertise.

Steven Hayes will retain a senior editorial role with Context Press, so you can look forward to more of the diverse and cutting-edge books covering the latest in contextual behavior science that you have come to expect from Context. Check out the Context Press button on our website for updated information on the latest Context books at [www.newharbinger.com](http://www.newharbinger.com)

### CLINICAL BEHAVIOR ANALYSIS

EDITED BY MICHAEL J. DOUGHER, PH.D.

In the past decade, an increasing number of scholars and practitioners have contributed to the developing field of clinical behavior analysis. These writers have drawn upon long-standing behavior-analytic principles and recent advances in verbal behavior research to explain the development of a variety of clinical disorders, advocate alternative approaches to clinical assessment and classification, develop new therapeutic interventions, and suggest new treatment goals. The field has grown enormously and it is fair to say that clinical behavior analysis has made some unique contributions to the fields of psychopathology, clinical assessment, and psychotherapy. The purpose of this book is to bring together in a single place a sampling of the work that constitutes the growing field of clinical behavior analysis.

US \$42.95 / hardcover / ISBN: 978-1878978387

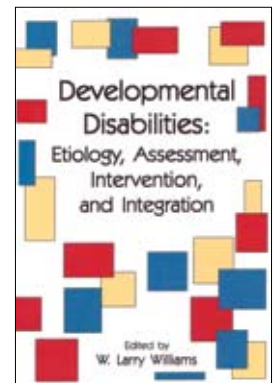

### DEVELOPMENTAL DISABILITIES

Etiology, Assessment, Intervention & Integration

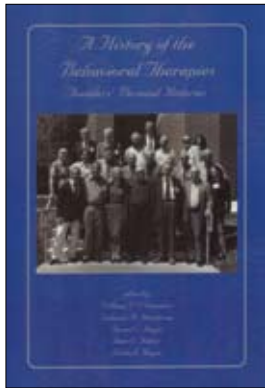

EDITED BY W. LARRY WILLIAMS, PH.D.

This study examines current scholarship in the field of developmental disabilities from a perspective that recognizes the importance of both "people" issues and "technical" advances. It presents contributions from many of the best researchers, clinicians, educators, and service administrators working with developmental disabilities, examining the causes and assessment of and interventions for a range of challenges. The book also provides descriptions of recent developments from some of the most recognized leaders on issues of integration and accessibility of psychological and educational services.

US \$49.95 / ISBN: 978-1-87897-8493

Visit [newharbinger.com](http://newharbinger.com) for a complete list of Context Books.

## A HISTORY OF THE BEHAVIORAL THERAPIES

Founders' Personal Histories

EDITED BY WILLIAM T. O'DONOHUE, PH.D., ET AL.

In this unique work, eighteen of the most influential and significant figures in the various subareas of behavior therapy (from behavior analysis through cognitive therapy) are brought together to discuss their work and the sources and influences that affected it. These intellectual biographies range in tone and intensity as each author uses their own particular style to convey their views about the field and their individual impact on it.

US \$49.95 / ISBN: 978-1878978400

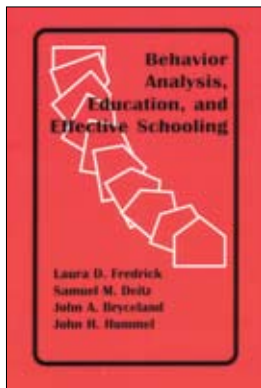

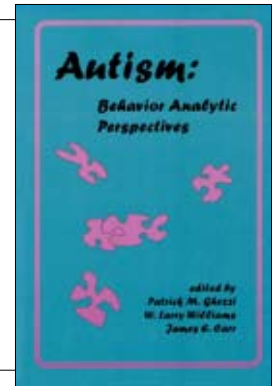

## AUTISM

Behavior Analytic Perspectives

EDITED BY PATRICK M. GHEZZI, ET AL.

This book gathers together leaders in the fields of behavior analysis and autism research, who discourse on a range of topics, including: the science and ethics of early autism interventions, stimulus control and the treatment of early autism, establishing communication repertoires with disabled persons, teaching strategies for language acquisition in children with autism, strategies for integrating children with autism into public schools, and more.

US \$39.95 / hardcover/ ISBN: 978-1878978325

## BEHAVIOR ANALYSIS, EDUCATION & EFFECTIVE SCHOOLING

EDITED BY LAURA D. FREDERICK, PH.D., ET AL.

In this book, four leaders in the field of education-related applied behavior analysis spell out a case for implementing curricular materials and instructional methods that research has shown to be effective in any classroom at any level. The concise survey includes chapters on achieving educational success, educational theory, and schools and schooling. It discusses instructional strategies, classroom management, assessing academic performance, teacher training, and educational myths—all from an applied behavior-analytic point of view.

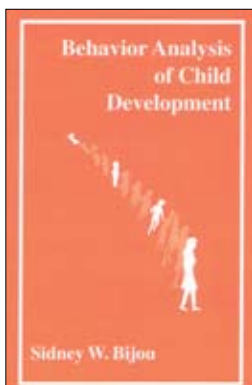

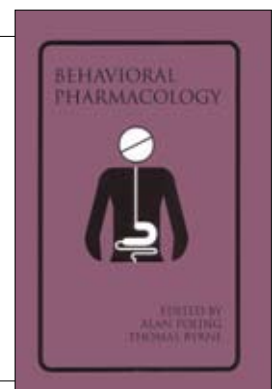

US \$32.95 / ISBN: 978-1878978356

## INTRODUCTION TO BEHAVIORAL PHARMACOLOGY

EDITED BY ALAN POLING & THOMAS BYRNE

There are hundreds, if not thousands, of substances that are used to modify behavior. Why do substances have the behavioral effects they do, and why do individuals vary in their responses to them? This book provides a conceptual framework for answering such questions. The book includes a short overview of behavioral analysis and general pharmacology, followed by detailed discussion of assessment of drug effects, the stimulus properties of drugs, drug abuse, and more.

US \$44.95 / ISBN: 978-1878978363

## BEHAVIOR ANALYSIS OF CHILD DEVELOPMENT

SIDNEY W. BIJOU

This book offers a concise introduction to the natural scientific approach to child psychology. It defines basic behavioral terms and principles, and includes many examples of the application of these principles to the understanding of children. In addition to its contribution to the field of child development, this book offers an easily readable and understandable account of the greater topic of behavior analysis itself. Readers may apply the overview presented here to other topics in the wider study of human behavioral development and learning.

US \$19.95 / ISBN: 978-1878978035

Visit [newharbinger.com](http://newharbinger.com) for a complete list of Context Books.

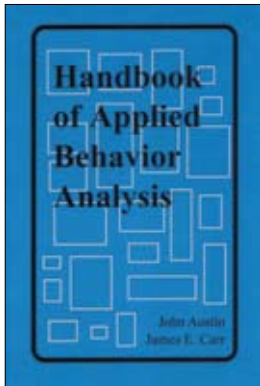

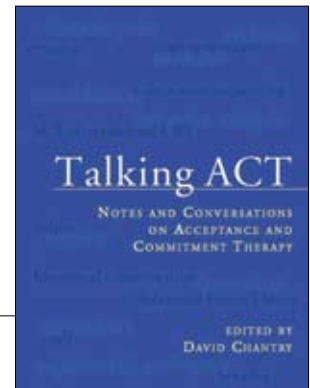

## TALKING ACT

Notes & Conversations on Acceptance & Commitment Therapy

EDITED BY DAVID CHANTRY

Here is a window into one of the most exciting intellectual developments of our time. This edited collection of discussions, arguments, and insights from the ACT Listserv will give students insight into how the modality that is changing contemporary psychotherapeutic practice came into being.

\$44.95 / ISBN: 978-1878978585

## HANDBOOK OF APPLIED BEHAVIOR ANALYSIS

JOHN AUSTIN & JAMES E. CARR

In this volume, some of the field's foremost practitioners offer their expert perspectives on a range of topics within ABA. Each chapter is fully referenced and contains a set of reading objectives to facilitate deeper understanding and further discussion of its subject area. While these discussions will be of particular interest to academic behavior analysts and graduate students, clinicians and other practitioners will find the research review helpful and informative.

\$69.95 / ISBN: 978-1878978349

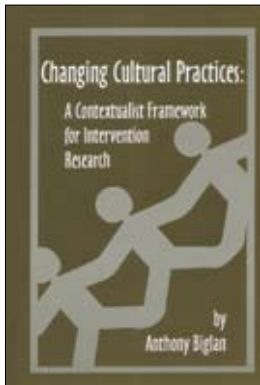

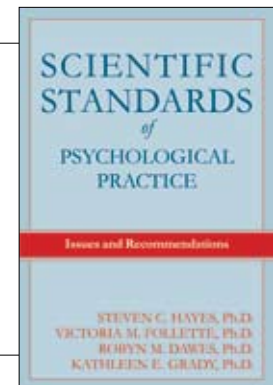

## SCIENTIFIC STANDARDS OF PSYCHOLOGICAL PRACTICE

Issues & Recommendations

STEVEN C. HAYES, PH.D., ET AL.

Apply the findings of social science research to practical, clinical psychological care. This edited volume offers an invaluable survey of the most significant publications in this area.

\$34.95 / ISBN: 978-1878978608

## CHANGING CULTURAL PRACTICES

A Contextualist Framework for Intervention Research

ANTHONY BIGLAN

This book offers a contextualist approach both for learning how to affect the incidence and prevalence of behavior and for changing the cultural practices that direct individual behavior. Beginning with a philosophical and theoretical framework for analyzing cultural practices and conducting research on how to change them, it then applies this framework to important areas of cultural practice—tobacco use, childrearing, sexism, and environmental preservation. Finally, the book outlines the development of a science of changing of cultural practices.

\$34.95 / hardcover / ISBN: 978-1878978226

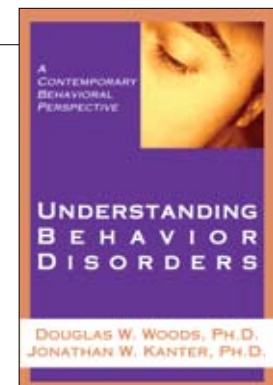

## UNDERSTANDING BEHAVIOR DISORDERS

A Contemporary Behavioral Perspective

DOUGLAS W. WOODS, PH.D., & JONATHAN W. KANTER, PH.D.

Because traditional behaviorism overlooked function-altering behavior processes that are critical to understanding many behavior disorders, other theoretical models took the lead in the explanation of pathological human behavior. Current trends in behavior analysis, however, account for these processes, returning behavior analysis to a strong position in this area of research. This book presents a cogent and comprehensive theory of behavior disorders from a behavior-analytic perspective.

\$49.95 / ISBN: 978-1878978615

# Request exam & desk copies in 3 easy steps:

- 1 Visit New Harbinger's exam request page on the web. Go to [newharbinger.com](http://newharbinger.com) and click on **academic adoptions**. Or, fax (800-652-1613) or mail (5674 Shattuck Avenue, Oakland CA, 94609) your request to us on institutional letterhead.
- 2 We'll send you your selections to examine free for sixty days. At the end of that time, you can return the books to us, pay the included invoice and keep the books for your personal use, or...
- 3 ...notify us in writing that you adopted one or more titles for classroom use. You may keep your exam copy of any book that you adopt for classroom use—with our compliments.

Certain conditions and restrictions apply. For more information, or to request desk copies for ongoing adoptions, please visit [newharbinger.com](http://newharbinger.com) and click on **academic adoptions**, or call us toll-free at (800) 748-6273.

## THE ABCs OF HUMAN BEHAVIOR

Behavioral Principles for the Practicing Clinician

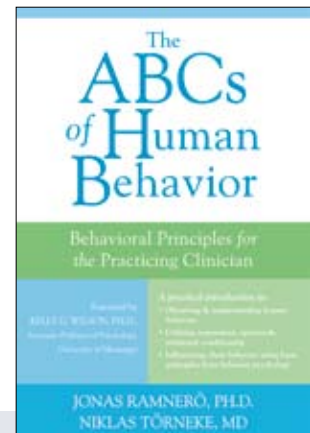

JONAS RAMNERÖ, PH.D., & NIKLAS TÖRNEKE, MD

FOREWORD BY KELLY G. WILSON, PH.D.

This important guide to the basic principles of human behavior is perfect for students of clinical psychology, especially if they are interested in the new, third-wave behavior therapies such as ACT and DBT. Clear, practical, and accessible, this book takes behavior studies out of the lab and into the treatment room.

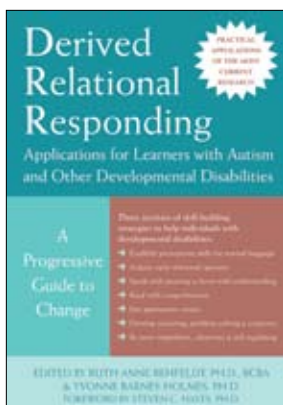

US \$49.95 / hardcover / ISBN: 978-1572245389

Copublished with Context Press 

“A must read for clinicians and students from all theoretical backgrounds.”

—CHRISTOPHER R. MARTELL, PH.D., ABPP, author of *Depression in Context*

## DERIVED RELATIONAL RESPONDING APPLICATIONS FOR LEARNERS WITH AUTISM & OTHER DEVELOPMENTAL DISABILITIES

A Progressive Guide to Change

EDITED BY RUTH ANNE REHFELDT, PH.D., BCBA, & YVONNE BARNES-HOLMES, PH.D.

FOREWORD BY STEVEN C. HAYES, PH.D.

This book presents techniques based on a breakthrough new understanding of how humans acquire and use language. These techniques enable those with autism and other developmental disabilities to limit the loss of cognitive and social functioning that typically results from these conditions.

US \$79.95 / hardcover / ISBN: 978-1572245365

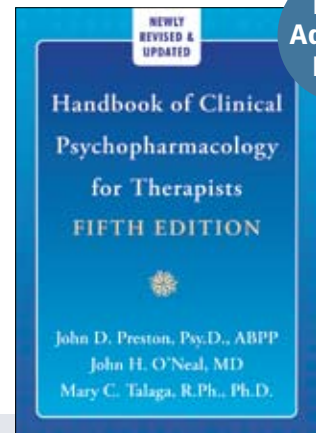

Copublished with Context Press 

## HANDBOOK OF CLINICAL PSYCHOPHARMACOLOGY FOR THERAPISTS, FIFTH EDITION

JOHN D. PRESTON, PSY.D., ABPP, JOHN H. O'NEAL, MD,  
& MARY C. TALAGA, R.PH., PH.D.

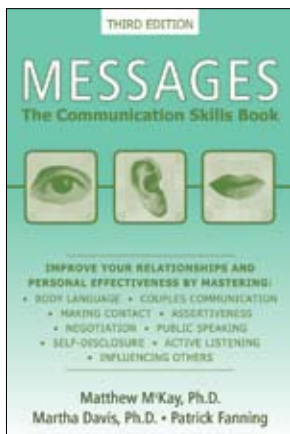

Now in its fifth edition, this book remains a thorough yet accessible introduction to psychoactive medications and their practical application in a clinical setting. Includes indications and contraindications for all major medications as well as diagnostic and treatment information for a range of mental health problems

Also available as an eBook at [newharbinger.com](http://newharbinger.com)  
US \$55.95 / hardcover / ISBN: 978-1572245358

“ If you have only one reference book on your shelf addressing the interface between clinical treatment and psychopharmacology, this should be it. ”

—MARVIN B. BERMAN, PH.D.

## MESSAGES, THIRD EDITION

The Communication Skills Book

MATTHEW MCKAY, PH.D., MARTHA DAVIS, PH.D., & PATRICK FANNING

Now in its third edition, this is one of New Harbinger's most adopted titles. Fully revised and updated, this book offers a clear introduction to the principles of effective communication.

Perfect for students at all levels.

Also available as an eBook at [newharbinger.com](http://newharbinger.com)

US \$18.95 / ISBN: 978-1572245921

“ *Messages* is a comprehensive handbook in a most important human skill—personal communication. Reading it made me feel like an enthusiastic partner in an achievable learning endeavor. ”

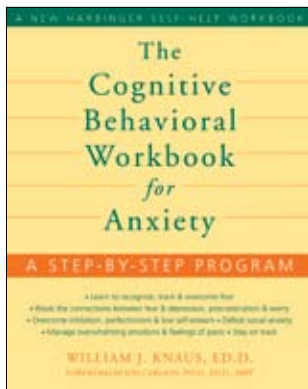

—VIRGINIA SATIR, author of *Peoplemaking* and *The New Peoplemaking*

## THE COGNITIVE BEHAVIORAL WORKBOOK FOR ANXIETY

A Step-by-Step Program

WILLIAM J. KNAUS, ED.D.

FOREWORD BY JON CARLSON, PSYD., ED.D., ABPP

This book presents a step-by-step program for ending anxiety drawn from rational emotive behavior therapy (REBT) and cognitive behavioral therapy (CBT). Written directly to the person with anxiety, this book is an excellent adjunct tool for students interested in CBT treatment for anxiety disorders.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1-57224-5723

## THOUGHTS & FEELINGS, THIRD EDITION

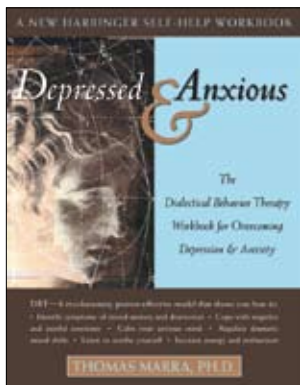

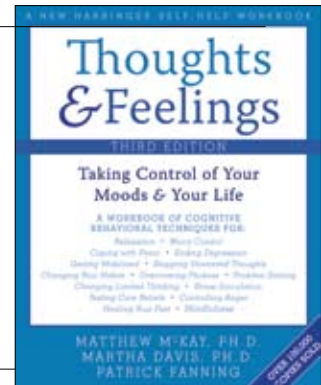

Taking Control of Your Moods & Your Life

MATTHEW MCKAY, PH.D., MARTHA DAVIS, PH.D., & PATRICK FANNING

Now in its third edition, this is the most complete and useful guide to cognitive behavioral techniques ever written. Covered techniques include identifying automatic thoughts, changing patterns of limited thinking, combating "hot thoughts," flooding, and thought stopping.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1572245105

## DEPRESSED & ANXIOUS

The Dialectical Behavior Therapy Workbook for Overcoming Depression & Anxiety

THOMAS MARRA, PH.D.

This groundbreaking book on comorbid depression and anxiety explains these conditions and how they are related. It presents a powerful dialectical behavior therapy (DBT) plan to help clients overcome them. A good complement to *Dialectical Behavior Therapy in Private Practice*.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1572243637

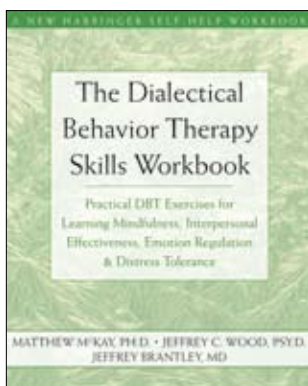

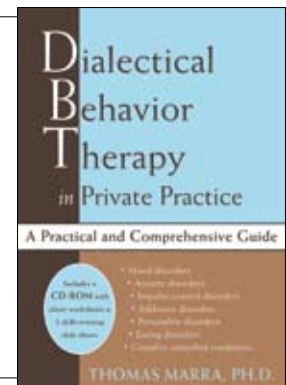

## DIALECTICAL BEHAVIOR THERAPY IN PRIVATE PRACTICE

A Practical & Comprehensive Guide

THOMAS MARRA, PH.D.

This book shows counseling and clinical psychology students how to adapt DBT interventions for the resources available to therapists in private practice. CD-ROM includes valuable skills-training slide shows as well as client worksheets and handouts.

US \$57.95 / hardcover + CD-ROM / ISBN: 978-1572244207

## THE DIALECTICAL BEHAVIOR THERAPY SKILLS WORKBOOK

Practical DBT Exercises for Learning Mindfulness, Interpersonal Effectiveness, Emotion Regulation & Distress Tolerance

MATTHEW MCKAY, PH.D., JEFFREY C. WOOD, PSY.D., & JEFFREY BRANTLEY, MD

Basic and advanced exercises for learning mindfulness, emotion regulation, interpersonal effectiveness, and distress tolerance. An essential tool for those learning the DBT model.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1572245136

**TELL US WHAT YOU THINK!** If you have adopted a title for course use that was useful, we'd love to hear from you. Email Ben Clausen at [Ben@newharbinger.com](mailto:Ben@newharbinger.com)

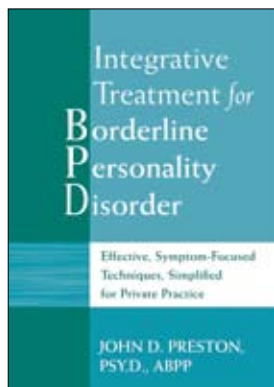

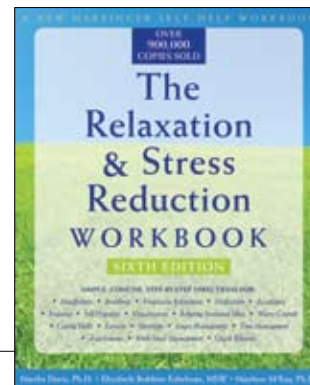

## THE RELAXATION & STRESS REDUCTION WORKBOOK, SIXTH EDITION

MARTHA DAVIS, PH.D., ELIZABETH ROBBINS ESHELMAN, MSW,  
& MATTHEW MCKAY, PH.D.

Now in its sixth edition, this widely recommended and referred guide offers the most comprehensive stress management program available. Detailed instructions for most accepted methods.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1572245495

## INTEGRATIVE TREATMENT FOR BORDERLINE PERSONALITY DISORDER

Effective, Symptom-Focused Techniques, Simplified for Private Practice

JOHN D. PRESTON, PSY.D., ABPP

This book distills the most effective current therapies for BPD into a brief protocol that can help clients make real progress. The book includes tips for new therapists about how to deal with the challenges of working with clients with BPD. A must-read for any student planning on private psychological practice.

US \$29.95 / ISBN: 978-1572244467

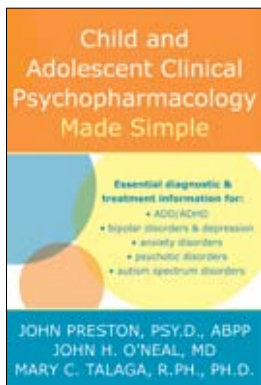

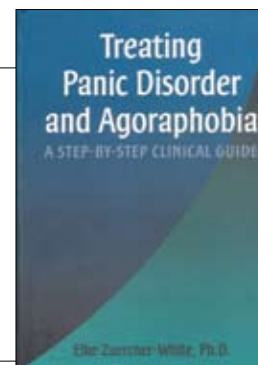

## TREATING PANIC DISORDER & AGORAPHOBIA

A Step-by-Step Clinical Guide

ELKE ZUERCHER-WHITE, PH.D.

A cognitive behavioral treatment protocol for counselors and therapists who work with clients with agoraphobia and/or panic disorder.

US \$49.95 / hardcover / ISBN: 978-1572240841

## CHILD & ADOLESCENT CLINICAL PSYCHOPHARMACOLOGY MADE SIMPLE

JOHN PRESTON, PSY.D., ABPP, JOHN H. O'NEAL, MD, & MARY C. TALAGA, R.PH., PH.D.

An indispensable book for psychology students or other helping professionals who plan to work with children taking psychoactive medications. Includes an overview of common drug types, their indications and contraindications. The book discusses how certain drugs behave differently in adult and juvenile patients. Handy charts and references help readers communicate effectively with doctors about important related issues like dosages, side effects, progress tracking, and more.

US \$14.95 / ISBN: 978-1572244351

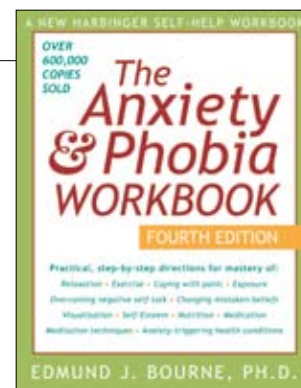

## THE ANXIETY & PHOBIA WORKBOOK, FOURTH EDITION

EDMUND J. BOURNE, PH.D.

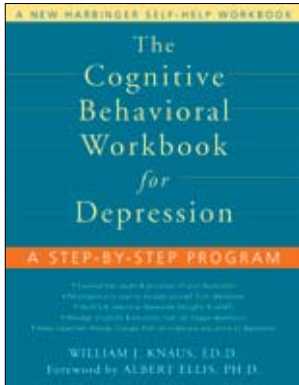

Now in its fourth edition, this book literally defined the genre of the self-help workbook, and it's more relevant today than ever. Counseling and psychology students can use it to develop structured programs for brief therapy and to help clients overcome generalized anxiety, specific phobia, social phobia, panic, and PTSD. Client exercises and worksheets can be photocopied easily from this large-format text.

**Also available as an eBook at [newharbinger.com](http://newharbinger.com)**

US \$21.95 / ISBN: 978-1572244139

**SIGN UP FOR BOOK ALERTS!** Don't miss out on new books in your subject area. Click on "Book Alerts" at [newharbinger.com](http://newharbinger.com) & we'll notify you by email. It's that easy!

## THE COGNITIVE BEHAVIORAL WORKBOOK FOR DEPRESSION

A Step-by-Step Program

WILLIAM J. KNAUS, ED.D.

FOREWORD BY ALBERT ELLIS, PH.D.

A monumental work, the most comprehensive CBT/REBT workbook for depression ever released. Useful for therapists and clients alike.

Also available as an eBook at [newharbinger.com](http://newharbinger.com)

US \$21.95 / ISBN: 978-1572244733

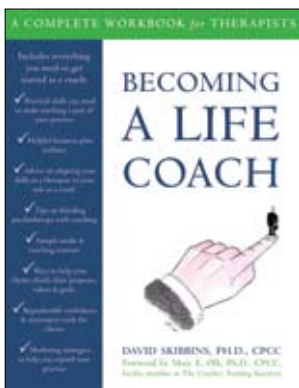

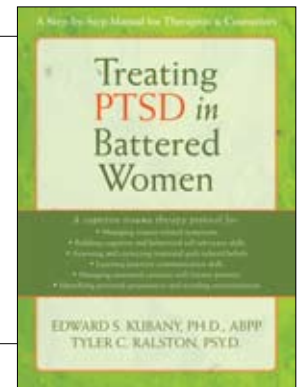

## TREATING PTSD IN BATTERED WOMEN

A Step-by-Step Manual for Therapists & Counselors

EDWARD S. KUBANY, PH.D., ABPP, & TYLER C. RALSTON, PSY.D.

An excellent resource for master's-level counselors and social workers, this program uses techniques that have been proven effective as interventions for women who are recovering from domestic violence.

US \$49.95 / hardcover / ISBN: 978-1572245570

## BECOMING A LIFE COACH

A Complete Workbook for Therapists

DAVID SKIBBINS, PH.D., CPCC

FOREWORD BY MARY E. OLK, PH.D., CPCC

How to integrate the skills of life coaching into a therapy practice. Includes techniques, information about ethical concerns, business and marketing models, and more.

US \$24.95 / ISBN: 978-1572245006

## COGNITIVE THERAPY FOR OBSESSIVE-COMPULSIVE DISORDER

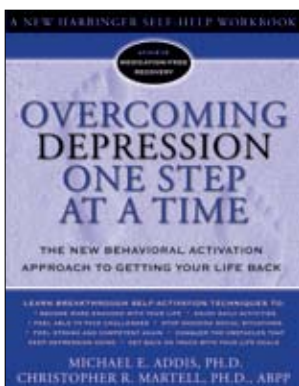

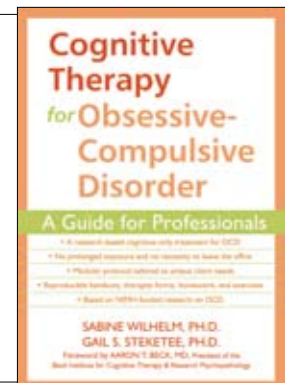

A Guide for Professionals

SABINE WILHELM, PH.D., & GAIL S. STEKETEE, PH.D.

FOREWORD BY AARON T. BECK, MD

Standard cognitive behavioral treatments for OCD include exposure techniques that many clients cannot tolerate. This empirically verified cognitive approach helps lessen the frequency and severity of compulsions without the stress of exposure, allowing more clients to seek and continue needed treatment. Valuable techniques for anyone learning to work with clients with OCD.

US \$39.95 / ISBN: 978-1572244290

## OVERCOMING DEPRESSION ONE STEP AT A TIME

The New Behavioral Activation Approach to Getting Your Life Back

MICHAEL E. ADDIS, PH.D., & CHRISTOPHER R. MARTELL, PH.D., ABPP

An introduction to the use of behavioral activation therapy in the treatment of depression.

US \$21.95 / ISBN: 978-1572243675

# Acceptance & Commitment Therapy

Cofounded by **STEVEN C. HAYES, PH.D.**, acceptance and commitment therapy (ACT) is a third-wave behavior therapy that offers a revolutionary approach to mental health problems. ACT seeks to teach people how to stop avoiding their problems and focus instead on the things that bring fulfillment to their lives. It is proven effective for treating everything from depression and anxiety to eating disorders and relationship problems. Please take a moment to review our books here.

## LEARNING ACT

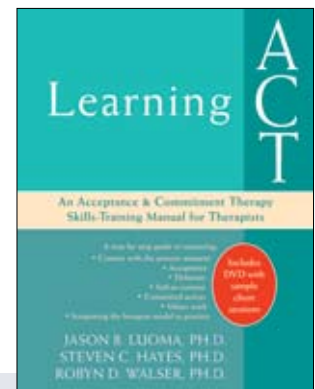

An Acceptance & Commitment Therapy Skills-Training Manual for Therapists

**JASON B. LUOMA, PH.D., STEVEN C. HAYES, PH.D.,  
& ROBYN D. WALSER, PH.D.**

A workbook for learning the entire ACT model. Core competencies are defined in the text and reinforced in the included DVD. An essential tool for psychology students interested in mindfulness- and acceptance-based therapy.

US \$44.95 / paperback + DVD / ISBN: 978-1572244986

Copublished with Context Press 

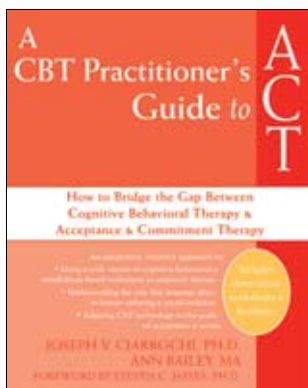

“This is the most clear and comprehensive book on the topic of applying ACT theory to clinical practice, and its experiential nature actively engages you while bridging the gap between theory and practice.”

—VICTORIA KRESS, PH.D., Youngstown State University

“Learning ACT applies the time-tested method of ‘learning by doing’ through a well-organized set of skill-building exercises and illustrations on the essentials of ACT. A must-read for anyone who wants to learn or refine their ACT skills.”

—JOHN J. MURPHY, PH.D., author of *Brief Intervention for School Problems* and *Solution-Focused Counseling in Schools*

## A CBT PRACTITIONER'S GUIDE TO ACT

How to Bridge the Gap Between Cognitive Behavioral Therapy & Acceptance & Commitment Therapy

**JOSEPH V. CIARROCHI, PH.D., & ANN BAILEY, MA**

FOREWORD BY STEVEN C. HAYES, PH.D.

Those familiar with traditional, change-based cognitive behavior therapies navigate the practical and theoretical challenges that come with new and promising, acceptance-based strategies.

US \$39.95 / ISBN: 978-1572245518

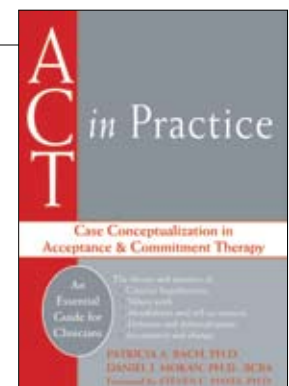

## ACT IN PRACTICE

Case Conceptualization in Acceptance & Commitment Therapy

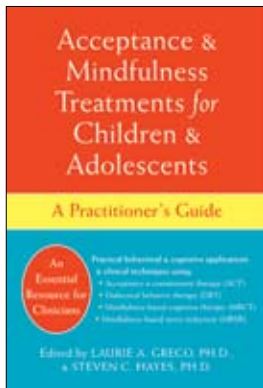

**PATRICIA A. BACH, PH.D., ET AL.**

Use the ACT hexaflex model as a transdiagnostic tool and a vehicle for case conceptualization. The book includes a theoretical background for ACT work, useful examples, and running case histories.

US \$59.95 / hardcover / ISBN: 978-1572244788

**TELL US WHAT YOU THINK!** If you have adopted a title for course use that was useful, we'd love to hear from you. Email Ben Clausen at [Ben@newharbinger.com](mailto:Ben@newharbinger.com)

## ACCEPTANCE & MINDFULNESS TREATMENTS FOR CHILDREN & ADOLESCENTS

A Practitioner's Guide

EDITED BY LAURIE A. GRECO, PH.D., & STEVEN C. HAYES, PH.D.

A unique application of an exciting model to the treatment of younger clients, the techniques in this edited volume open up a whole new area of clinical practice.

US \$59.95 / hardcover / ISBN: 978-1572245419

**Copublished with Context Press** 

## ACT VERBATIM FOR DEPRESSION & ANXIETY

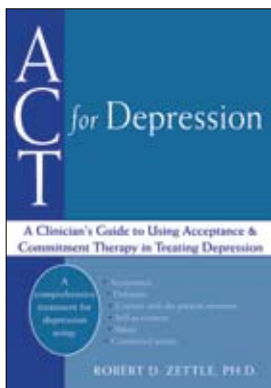

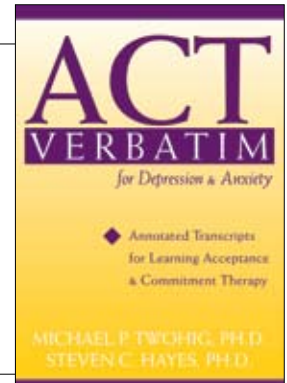

Annotated Transcripts for Learning Acceptance & Commitment Therapy

MICHAEL P. TWOHIG, PH.D., & STEVEN C. HAYES, PH.D.

This collection of annotated transcripts of actual client sessions offers valuable insight into how this new treatment model can be effectively employed.

US \$39.95 / ISBN: 978-1572245235

**Copublished with Context Press** 

## ACT FOR DEPRESSION

A Clinician's Guide to Using Acceptance & Commitment Therapy in Treating Depression

ROBERT D. ZETTLER, PH.D.

Adapt the core processes of the ACT model for use with clients struggling with depression. The approach covers mindfulness and acceptance strategies as well as techniques for clarifying values and working toward them with committed action.

US \$42.95 / hardcover / ISBN: 978-1572245099

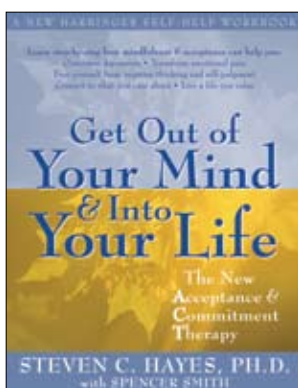

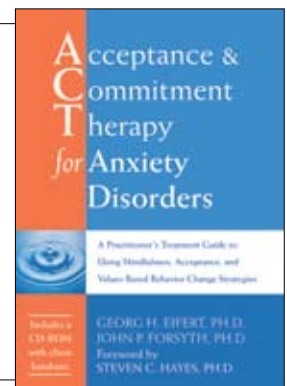

## ACCEPTANCE & COMMITMENT THERAPY FOR ANXIETY DISORDERS

A Practitioner's Treatment Guide to Using Mindfulness, Acceptance & Values-Based Behavior Change Strategies

GEORGE H. EIFERT, PH.D., & JOHN P. FORSYTH, PH.D. FOREWORD BY STEVEN C. HAYES, PH.D.

The comprehensive, practical model detailed in this book offers students a single, empirically verified protocol effective for treating all of the anxiety disorders. Includes detailed interventions, case examples, CD-ROM that offers reproducible worksheets, and more.

Also available as an eBook at [newharbinger.com](http://newharbinger.com)  
US \$58.95 / hardcover + CD-ROM / ISBN: 978-1572244276

## GET OUT OF YOUR MIND & INTO YOUR LIFE

The New Acceptance & Commitment Therapy

STEVEN C. HAYES, PH.D., with SPENCER SMITH

Make sure your students are acquainted with acceptance and commitment therapy, the new behavior therapy that is attracting adherents by the thousands. This excellent introduction to the practice of ACT, written by cofounder Steven C. Hayes, orients students to ACT terminology and methods and offers invaluable techniques that can be used when working with clients.

Also available as an eBook at [newharbinger.com](http://newharbinger.com)

US \$21.95 / ISBN: 978-1572244252
